# Rollover: Reusing a Previous Course Resource List

You can re-use or "roll over" a course reading list that you've used in a previous term. You can edit the reading lists after they are rolled over.

1. Login to your new Brightspace course site and connect to Leganto to your course.
2. When Prompted, select "**Roll over reading lists from an existing course**" from the reading lists options.

Create a new reading list from scratch

Add citations from the web, library search, manually, or import from existing citation tools. You can start from blank, or use a template based on academic schedules

    ✎ CREATE IT
