Professional Experience

1. Librarian III, Library Systems Department (*tenured*)

University of Windsor, Windsor, ON, Canada

7/2021 – present

A full and varied workload, consisting of the following:

- Visiting Program Officer, ARL & CARL: Marrakesh Treaty Library Implementation Task Force, 7/2021-6/2023
- Scholarly Communications Librarian
- Systems Librarian, Alma/Primo/Leganto/Rialto
- Liaison Librarian, Economics and School of the Environment; Polonia endowment
- Part-time Graduate studies, M.A. Political Science

Representative accomplishments:

- Established new collaborative support model with other Windsor librarians for Ex Libris products, 2022-present
- Partial automation of workflow for faculty scholarship deposit, Scholarship@UWindsor, 2023
- Worked with ProQuest to further automate Electronic Theses & Dissertation deposit to BEPress Digital Commons, 2023
- Worked with BEPress Digital Commons to advise on [OpenAIRE Guidelines for Literature, institutional and thematic Repositories 4.0](#) inclusion and compliance for Digital Commons
- Served on Leddy Library Employee Engagement Committee, 2023
- Completed eCampusOntario Digital Transformation (DX) Leadership courses with [six microcredentials awarded](#)
- Completed coursework for M.A. Political Science, 2018-2022; Major Research Paper in progress
- Served on CRKN [Heritage Infrastructure Business Plan Task Group, 2022-2023](#)
- Co-chair, [CARL Repositories Community of Practice](#), 2023-present
- Led Systems Implementation team, ARL & CARL Marrakesh Treaty Library Implementation Task Force, 2021-2023
- ALA-accreditation team, [École de bibliothéconomie et des sciences de l'information \(EBSI\)](#), Université de Montréal, October 2022

2. University Librarian, Leddy Library (*Executive Faculty*)

University of Windsor, Windsor, ON, Canada

4/2016 – 6/2021

Served as the executive leader and principal advocate for the Leddy Library (63 FTE) which serves approximately 16,000 students in nine faculties, comprising over 120 majors and minors and 72 graduate programs. Strengths include a well-established local digitization programme and local digital collections, open access and scholarly publishing, teaching faculty-partnered teaching and instruction, a robust research focus amongst our tenured faculty librarians, and partnered student success services.

Representative Accomplishments:

- Stewardship of \$5.1 million Library Resources Budget, 2016-2021. \$1.6 million deficit (2015-2016), balanced budgets, 2017-2020
- Chair, Leddy Library Master Space Plan, completed with [Harari Pontarini Architects](#) (2019-2020; in fundraising)
- Developed, Chaired [Research Data Management Steering Committee](#), w/Office of Innovation & Research Services, Information Technology Services, Leddy Library, 2017-2021
- Executive Sponsor/Host, [CARL Canadian Library Assessment Workshop](#), University of Windsor, October 22-24, 2019
- Ideation & Executive Sponsor, [Student Research Collaboratory](#), Leddy Library, \$750,000 renovation, 100% fundraised 2017-2019
- Chair, [OCUL Collaborative Futures](#) Steering Committee, 2019-2021
- Executive Sponsor, Leddy Library External Review (2016-2017) and [Leddy Library Strategic Plan, 2018-2021](#)
- Executive Sponsor/Host, OCUL Directors Spring 2017 meeting, University of Windsor, April 20-21, 2017
- Ideation and Executive Sponsor, Leddy Library Partnership with [Our Digital World for Community Newspaper Digitization Program](#), 2017- present
- Executive Sponsor, Rialto Development Partner Program w/ProQuest & Ex Libris, 2018-2019

3. Associate University Librarian, Research & Digital Discovery Services, University of Waterloo Library (Administrative Staff)

University of Waterloo, Waterloo, ON, Canada

7/2011 – 4/2016

Provided executive leadership for Cataloging, Digital Initiatives, Library Technology & Facilities Services and Special Collections & Archives departments (38 FTE), comprising a wide range of technology, collections and metadata initiatives and services at the University of Waterloo Library, a 34,000 student campus. Efforts included open access scholarly communication, virtual desktop infrastructure, digital repositories, digital preservation, research data management, metadata operations, and web content management.

Involved in project and personnel management, policy and program development, digital initiatives, and collaborative development of new information services and systems.

Representative accomplishments:

- Leader and contributor to campus [Excellence Canada](#) organizational certifications, Lean Higher Education and campus strategic theme leadership for “Transformational Research”
- Staff renewal: managed five direct report recruitments from vacancies, and shepherded over a dozen more recruitments that report up through me
- Reorganized Library Systems into two user-focused departments, “Digital Initiatives” and “Library Technology and Facilities Services”
- Provided leadership around assessment, decision and implementation of virtual desktop infrastructure to library public computing to simplify and optimize student public computing (~225 seats)
- Helped to position the Library in new campus leadership roles with campus web management, campus research data management, campus digital asset management, digital repository services

4. **Head, Library Information Systems, University Libraries of Notre Dame**

(Faculty Rank: Associate Librarian, 2004-2009; Librarian, 2010-2011)

University of Notre Dame, Notre Dame, IN

7/2004 – 7/2011

Led 10.0 FTE (2 faculty, 8 IT staff) library systems department at the University of Notre Dame, a 12,500 student private university. Responsible for:

- Server system administration of the Libraries' cluster of 25 servers for development, pre-production and production environments; Oracle and MySQL database administration
- management, enhancement, and support of the Libraries' enterprise information systems including Aleph 500 integrated library system, related systems (Metalib, SFX, Primo, Fedora Commons) for the Michiana Academic Library Consortium (MALC), which includes three private colleges in addition to Notre Dame, a total user community of 21,000;
- local digital library solutions, such as digital repository, custom programming

Also served as subject librarian (collection development, instruction, reference) for two economics departments August 2004 - August 2007.

Representative Accomplishments:

- Positioned the Library to be a leader for campus-wide digital asset management efforts through a series of Digital Asset Strategy investigations and pilot projects
- Demonstrated the value in Fedora Commons technical repository to Notre Dame, leading to the Library joining the Hydra Project as the first non-founding member institution, along with Stanford University, University of Virginia, University of Hull (UK)
- Project management and information system leadership roles for collaborative, multi-institution projects in integrated library systems, resource discovery, digital asset management, federated search application areas involving 15-85 individuals
- Managed and re-organized department in growth from 4.0 FTE to 10 FTE in 2008-2010
- Coordinator for strategic planning process for Hesburgh Libraries, 2010-2011
- Managed growth in scope and complexity of department from 4 to 10 FTE from 2004 to 2009; reorganized and redefined department in 2009
- Leadership in library information systems community, serving in European and North American user community steering committees and application teams, representing 1,200 libraries and library consortia in North America and over four thousand libraries and library consortia globally

5. **Head, Library Information Systems, VCU Libraries** *(Faculty Rank: Assistant Professor)*

Virginia Commonwealth University, Richmond, VA

10/2000 – 6/2004

Led 7.0 FTE library systems department at 26,000-student public university. Hands-on management of a range of technology projects within the Libraries, including annual technology needs planning, specification, and procurement of ~\$250,000. Primary technology liaison with Library departments, vendors, and external VCU computing units for systems and information technology needs & planning.

Representative Accomplishments:

- Managed desktop operating system and office suite migration & upgrades for 130 staff desktops (Windows 98 to Windows 2000/XP; Office 97 to Office XP)
- Coordinated data extract from NOTIS for migration and conversion to Aleph 500. Provided technical liaison between system vendor, University Computer Center, and VCU Libraries staff and faculty.
- Participated in \$1.2 million facility renovations for VCU Libraries

- Implemented wireless networking in both Libraries (fall 2001)– one of the first sites on campus
- Coordinated technical aspects of automating ILL functions with OCLC ILLiad
- Planned, managed, oversaw testing of two point-release system upgrades to NOTIS LMS, including OS/390, Unix, and web components within six month window. Primary liaison with Epixtech System Engineers in troubleshooting and resolving upgrade issues.
- Coordinated, specified, and requisitioned technology hardware and software including PC and Mac workstations, Unix and NT servers, software, peripherals, and services for use in Libraries
- Managed and provided system administration for Virginia Tech Electronic Theses & Dissertations (ETD) system, including planning, customization, and implementation for VCU ETD pilot project use; coordinated requirements and implementation schedule with Graduate School, Academic Computing, and VCU Libraries; developed and implemented ETD training for graduate students at VCU with Preservation Services Head

6. Assistant Professor, School of Allied Health Professions (*Collateral faculty*)

Virginia Commonwealth University, Richmond, VA

07/2000 – 01/2002

Instructor for [ALHP 718 Health Informatics](#), a required course in the core curriculum of the Ph.D. in Health Related Sciences at VCU. Course is team taught with two other instructors and is delivered via the web and on-campus sessions each summer.

Representative Accomplishments:

- Designed and delivered new doctoral-level course in collaboration with other course instructors

3. Advanced Technologies Librarian, VCU Libraries (*Faculty Rank: Assistant Professor*)

Virginia Commonwealth University, Richmond, VA

07/1999 – 10/2000

Envisioned, led, and planned new digital library and electronic services initiatives for VCU Libraries. Provided current awareness services on digital library, scholarly communication, and new technologies to library faculty at VCU. Team participant for the Library Automation Task Force (standing workgroup on technology projects at VCU Libraries). Conducted training and instruction workshops on bibliographic and research resources for students and faculty on the Medical College of Virginia campus.

Representative Accomplishments:

- Chaired, managed 5-person Electronic Reserves Task Force to investigate, design, and develop an e-reserves service for VCU Libraries
- Customized Open Source Course Reserve (OSCR) software for VCU Libraries using perl, PHP, MySQL, and Apache HTTP server on AIX and Windows platforms; designed and programmed electronic reserve ColdFusion templates with requirements from E-Reserve Task Force; trained reserve staff on both campuses in digitization workflow; provided on-going technical support for e-reserves services
- Contributed to several new service proposals for GIS services, Electronic Reserves, and rapid document delivery services

7. Advanced Technologies Librarian (*Faculty Rank: Instructor*)

09/1997 – 06/1999

Office for Information Technology, Virginia Commonwealth University, Richmond, VA

Coordinated annual planning, equipment requests, and training with Digital Library Project Manager in Digital Library/Web Support Services unit. Developed metadata models, database schema, and web

interfaces for IBM Digital Library projects, and worked with Digital Library Applications Analyst to convert project requirements into working software code. Collaborated with external clients within the University to assess suitability, define requirements, and schedule digital library projects.

Representative Accomplishments:

- Developed metadata model based on Dublin Core and VRA Core Categories for VCU Images project
- Designed Digital Library batch and single ingest web interfaces with Applications Analyst for IBM Digital Library
- Planned, organized, and hosted North American IBM Digital Library user group conference at VCU
- Co-Managed \$450,000 19-workstation TompCAT Computer Classroom renovation in Tompkins-McCaw Library with OIT Fiscal Administrator
- Contributing Writer for \$350,000 [NSF Internet II Grant for Virginia Commonwealth University](#) (funded 01/2000)
- Contributing Writer for \$100,000 [Bell Atlantic Distance Learning Grant](#) to build a 20-seat compressed video distance education classroom in the Tompkins-McCaw Library for the Health Sciences
- Contributed to Libraries' SWOT Analysis and Strategic Planning process
- Organized & hosted first North American user group meeting for IBM Digital Library product

5. **Interim EPH Librarian** (*Managerial & Professional Rank: Librarian I*) 02/1997 - 07/1997
Epidemiology & Public Health Library,
Yale University, New Haven, CT

Managed 3.5 FTE Library, including \$225,000 annual budget. Coordinated Interlibrary Loan requests and cataloging of EPH materials with Medical Library. Managed CD-ROM and public workstations in the Library. Provided instruction and reference services to Faculty and students.

6. **Integrated Advanced Information Management Systems Assistant** 05/1995 - 07/1997
Cushing/Whitney Medical Library,
Yale University, New Haven, CT (*Managerial & Professional Rank: Librarian I*)

Participated in identification, development, production and assessment of IAIMS projects at the Library with IAIMS Committee and at the University with Medical Informatics Fellows. Provided web technology development and support within the Medical Library.

Representative Accomplishments:

- Developed HTML service forms (recall/hold, renewals, ILL, document delivery, collection management) and CGI Perl scripts for Medical Library; and eventually 11 other campus libraries
- Extended Yale implementation of NLM Information Sources Map with new records describing bibliographic and research electronic resources
- Wrote \$190,000 NLM Information Systems Grant to digitize and make available New Haven-specific public health information

Education

1. Master of Arts, Political Science
University of Windsor, Windsor, Canada 2024 expected
2. Master of Library & Information Studies (MLIS)
McGill University, Montreal, Canada 1995
3. Bachelor of Arts (Honours), Political Science
University of Western Ontario, London, Canada 1991

Additional Training & Education

1. Undergraduate coursework in Italian, Medieval Studies
University of Waterloo, Waterloo, Canada 2012-2015
3. Undergraduate coursework in Information Systems
Virginia Commonwealth University, Richmond, VA
Cumulative GPA (12 credits): 3.7/4.0 2000 – 2002
4. Fellow, Medical Informatics Short Course,
National Library of Medicine/Marine Biological Laboratory, Woods Hole, MA. Oct. 3-10, 1999
5. IAIMS Assistant
Cushing/Whitney Medical Library, Yale University, New Haven, CT 1995 - 1997

Post-graduate research assistantship in medical informatics, in collaboration with the Yale Center for Medical Informatics.
6. University of Waterloo, Faculty of Arts
Additional coursework in Political Science & History 1990 - 1991

Equity, Diversity, Inclusion and Accessibility Commitment

- Participant, Pronouns 101 Workshop, Leddy Library, October 19, 2022
- Group participant, discussion facilitator, Anti-Black Racism reading group, Leddy Library
 - Eternity Martis, [They Said This Would Be Fun](#). (Spring 2022)
 - Desmond Cole, [The Skin We're In](#) (Fall 2021)
 - Ijeoma Oluo, [So You Want To Talk About Race](#) (Spring 2021)
- Member, IDEA Strategy Committee, Ontario Genealogical Society, 2020-present
- Participant, [Accessibility Community virtual huddles](#), 2019
- Host, International student Christmas dinner program, University of Windsor, 2018
- Host, International student Thanksgiving dinner program, University of Windsor, 2017
- Participant, [Atikameksheng Anishnawbek](#), 30th annual gathering, Naughton, ON, July 28, 2018
- Participant, Decolonizing and Indigenizing Your Teaching & Research, Workshop, Wilistead Manor, Windsor, August 29, 2018

- Participant and institutional representative, Strengthening Indigenous Representation and Reconciliation, CARL 2019 Fall Meeting, Montebello, QC, November 9, 2017
- Participant and institutional representative, [Library and Archives Canada Forum with University Partners: Exploring Decolonization on the Road to Reconciliation](#), Ottawa, ON, November 6, 2017
- Mentor and Host, Librarian in Residence program, Hesburgh Libraries, 2008-2009
- Mentor, Project to Recruit the Next Generation of Librarians, IMLS, 2007-2008
- Faculty Mentor, Building Bridges Mentoring Program, University of Notre Dame, 2004-2009

Consulting

- 2022** ALA Accreditation Team, [École de bibliothéconomie et des sciences de l'information \(EBSI\)](#), Université de Montréal, October 2022
- 2018** External Reviewer, [NovaNet: A Consortium of Libraries](#)
- 2014-2015** Project Manager and Consultant. [Information Professionals' Task Force](#), Association for Information Science & Technology

Awards, Honors & Promotions

2013 Fellow, [ARL Leadership Fellows Program](#), 2013-2015.

2010 Delegate, American Society of Information Science & Technology (ASIS&T) Delegation on Information Professional Education to China, [People to People Ambassador Program](#), Beijing and Shanghai, China, April 2010

Promotion to (full) Librarian, University of Notre Dame.

2006 Contributing Author, [2006 Ida and George Eliot Prize](#), Medical Library Association for *Reference Services Review* special issue on "Emerging Roles of Health Sciences Librarians"

Promotion to Assistant Professor, Virginia Commonwealth University.

2005 Chapter Event of the Year, American Society for Information Science & Technology ("To Google or not to Google", ASIST Tri-Chapter Meeting, June 17, 2005)

2000 Academy of Health Information Professionals (Senior) (8/2000 – 7/2005)

Editorial

2016 – 2019 Member, Editorial Board. *Digital Library Perspectives*. Emerald Group Publishing. ISSN: 2059-5816.

Management Skills

Project planning and management; strategic planning and assessment and LibQual+ team member at two different institutions; excellent time-management skills; supervision, personnel management, conflict resolution, coaching for performance and mentoring; fiscal planning and budgeting management; systems analysis; information technology specification/requirement planning; extensive grant writing experience; RFP preparation and review experience.

Conference Planning Leadership

Active in a wide range of library technology and digital library related forums and communities since 1997. Topics have included metadata standards, digital preservation, electronic theses & dissertations, medical informatics, and human computer interaction. Collaboratively organized several regional, national, and international meetings for Ex Libris Users of North America (ELUNA), International Group of Ex Libris Users (IGeLU), Medical Library Association (MLA), Library Information Technology Association (LITA), American Society for Information Science & Technology (ASIS&T), IBM Renaissance Consortium, North American Aleph User Group (NAAUG).

Academy of Health Information Professionals (Senior)

Member 2000-2005

<https://www.mlanet.org/p/cm/ld/fid=348>

American Library Association

Member since 1993

<http://www.ala.org/>

- Member, Library Information Technology Association/CORE, 1993-
- Member, LITA/Endeavor Student Writing Award jury, 2005-2006
- Member, 2003 LITA National Forum Program Committee, Norfolk, VA October 3-5, 2003
- Member, Association of College & Research Libraries, 1995-
- Member, Library Administration & Management Association, 1995-1997
- Member, Library Leadership & Management Association, 2008-

American Medical Informatics Association

Member 1995 - 1996

<http://www.amia.org/>

Association for Information Science & Technology

Member 1996-2011, 2016-2018

<http://www.asist.org/>

- Papers Reviewer, 2014, 2015 Annual Meetings: Seattle, WA; St. Louis, MO
- Interactive Posters Chair and Program Committee, Member, 2013 Annual Meeting, Montreal, QC
- Panels co-Chair and Program Committee, Member, 2009 Annual Meeting, Vancouver, BC
- Publications Committee, Wiley Blackwell Strategic Planning Committee, 2009
- Panels Chair and Program Committee, Member, 2007 Annual Meeting, Milwaukee, WI
- Jury Chair, Watson Davis Award, 2005, 2006
- Member, ASIS&T Board of Directors; SIG Cabinet Deputy Director, 2003-2007
- Co-Chair, Nominating Committee SIG Cabinet, 2003
- Chair-elect/Chair, ASIS&T Special Interest Group on Digital Libraries, 2001 - 2003
- Membership Committee, Chair, ASIS&T Special Interest Group on Digital Libraries, 2000 - 2001
- Program Committee, Member & Review Coordinator, American Society for Information Science Annual Meeting 2000 (Chicago, IL).
- Chair, ASIS Special Interest Group on Information Generation & Publishing (SIG PUB), 1997-1999

arXiv Governance Planning

January-February, 2012

- Representative for University of Waterloo in advising Cornell University Library on governance and community funding structure for arXiv, a prominent global pre-print service.

Association for Computing Machinery

Member 1997 - 2001

<http://www.acm.org/>

- Member, SIG Computer Human Interaction (CHI)
- Book reviewer (2004 -), *Computing Reviews* (URL: <http://www.reviews.com/>)

Canadian Association of Research Libraries

<http://www.carl-abrc.ca/>

- Visiting Program Officer, ARL/CARL Marrakesh Treaty Implementation Policy Work Group, 2021-2023
- Member, Portage CARL Directors Steering Committee, 2017-2021
- Institutional representative, 2016-2021, University of Windsor

- Member, Policy Committee, 2016-2023
- CARL representative, ARL/CARL/COAR/LIBER Professional Competencies Task Force, 2013-2016

Canadian Research Knowledge Network

<http://www.crkn-rcdr.ca/en/home>

- Member, [Heritage Infrastructure Business Plan Task Group, 2022-2023](#)
- Institutional representative, 2016-2021, University of Windsor

Center for Research Libraries

- Member, [Trusted Digital Repository certification review team for Canadiana.org](#), 2014-2015
- Member, [Trusted Digital Repository certification review team for CLOCKSS](#), 2013-2014
- Member, [Trusted Digital Repository certification review team for OCUL ScholarsPortal](#), 2012-2013

Coalition for Networked Information

<http://cni.org/>

- Institutional representative, 2016-2021, University of Windsor
- Institutional representative, 2011-2016, University of Waterloo

Ex Libris Users of North America (ELUNA)

Member since 2005

<https://el-una.org/>

- Institutional representative, 2016-present, University of Windsor
- Institutional representative, 2011-2016, Tri-University Group
- Institutional representative, 2005-2011, Michiana Academic Library Consortium (MALC)
- ELUNA representative, URM Community Metadata Advisory Committee, 2010- 2011
- Local arrangements, Great Lakes User Group, 2009 Meeting, Notre Dame, IN
- ELUNA Steering Committee, 2007-2011, 2013-2015, 2018-2021, 2021-2023: Chair-elect 2008-2009; Chair 2009-2010; Past Chair 2010-2011; Secretary 2013-2015
- Program Chair, ELUNA 2007 Annual Meeting, Spearfish, SD
- Communications Officer, Digitool Product Working Group, 2006-2007
- Digitool Track Program Chair, ELUNA 2006 Annual Meeting, Knoxville, TN
- Listowner, 34 ND, ELUNA and IGeLU mailing lists, 4,200 unique subscribers, 2004-2011

eXtensible Catalog Organization

Contributor 2008-2011

- Component partner, XC; managed development and build of Aleph ILS to NCIP 2.0 web services connectivity, 2008-2010
- Member, XCO Metadata Advisory Committee, 2010 -

Fedora Project (Linux distribution)

Contributor 2007-2012

<http://fedoraproject.org/>

- Fedora Ambassadors team:
 - o coordinated several rounds of branded polo shirts for Ambassadors Team events; see <http://fedoraproject.org/wiki/Ambassadors/NA>
 - o represented Fedora at 2008 & 2009 Ohio Linux Festival, Columbus, OH at Fedora booth; 1100 attendees
 - o represented Fedora at Notre Dame Linux User Group meetings, 2008 – present
- Fedora News team:
 - o member of Fedora Weekly News editorial team #133-295 (July 2008-May 2012); primary editor starting #178 (May 31, 2009)

- Fedora News team coordinator for Fedora Insight effort with Marketing and Docs teams; see http://fedoraproject.org/wiki/Fedora_Insight
- Fedora Users & Developers' Conference (FUDCon)
 - Participant and unconference sessions on Fedora Weekly News, Fedora Insight, FUDCon 2011, Tempe, AZ, January 29-31, 2011
 - Participant and unconference session on Fedora Insight, FUDCon 2009, Toronto, Canada, December 5-7, 2009

IBM Renaissance Consortium (Digital Libraries in Higher Education)

Member 1997 - 1999

- Conference Organizer, First Annual North American IBM Digital Library Users' Group, Virginia Commonwealth University, Richmond, VA. 08/26/99 - 08/29/99
- Institutional Representative, IBM Renaissance Consortium

International Group of Ex Libris Users (IGELU)

<http://www.igelu.org>

- Institutional representative, 2011-2016 Tri-University Group
- ELUNA Representative to National Working Groups, 2008 & 2009 meetings
- Digitool Product Working Group Coordinator, 2006-2007
- Program Committee, DigiTool Track Coordinator, IGELU 2007 meeting, Brno, Czech Republic

Medical Library Association

Member 1995 - 2002

<http://www.mlanet.org/>

- Annual Meeting 1999 Proposal Reviewer, Educational Media & Technology Section, Medical Library Association
- Member, MLANet Editorial Board, 2001 – 2004

National Information Standards Organization (NISO)

Member 2012 - 2017

- Co-Chair, [Discovery to Delivery Topic Committee](#), 2013-2017. Focuses on issues regarding the finding and distribution of information by and to users, including OpenURL, Metasearch, interface design, web services, etc. Current working groups under its oversight include KBART (Knowledge Base and Related Tools), Open Discovery Initiative (ODI), IOTA (OpenURL Quality Metrics), NCIP and ResourceSync.
- One of three main leadership groups within NISO that help oversee existing and new standards work. Each Topic Committee works with the community it serves (in a discrete area of standards) to develop and maintain the plans necessary to sustain an active standards program for its area

North American Aleph User Group

Member 2003-2005

- Program Planning Committee, NAAUG 2004 Boston, MA June 17-19, 2004

Ontario Council of University Libraries

<http://ocul.on.ca/>

- OCUL Collaborative Futures Steering Committee, Chair, 2018-2021
- Institutional representative, 2016-present, University of Windsor
- Secretary, OCUL Executive, 2016-2017

Ontario Genealogical Society

Member, 2020-present

- Director at Large, Board of Directors, 2023-2026 (elected)
- Member, Finance Committee, 2023-present
- Chair, IDEA Strategy Committee, 2023-present

- Member, IDEA Strategy Committee, 2020-present

Project Management Institute

Member 2001-2005

<http://www.pmi.org/>

- Member, Information Systems SIG
- Member, Michiana Chapter (Indiana-Michigan)

Institutional Service & Activities

University of Windsor

- WUFA Grievance Officer, 2023-present
- Member, Leddy Library Employee Engagement Committee, 2023
- Leddy Library Master Space Planning Committee, co-Chair, 2018-2021
- Information Governance Committee, Member, 2017-2021
- Provost Council, 2017-2021
- Research Data Management Steering Committee, Chair, 2017-2021
- Management negotiating team for WUFA 2017-2021 collective bargaining, 2017
- Leddy Space Planning Committee, Chair, 2017-2021
- University Library Advisory Committee, Chair, 2016-2021
- Deans Council, Member, 2016-2017 (subsumed into Provost Council)
- Senate, Member, 2016-2021
- Senate Governance, Member, 2016-2021
- Graduate Council, Member, 2016-2021
- Program Development Committee, Member, 2016-2017, 2018-2019
- IT Steering Committee, Member, 2016-2021
- IT Advisory Committee, co-Chair, 2016-2021
- Campus Space Planning Committee, Member, 2016-2021
- CIO Search Committee, Member, 2016-2017
- Radio host, CJAM 99.1 FM, Jazz Traditions (2016-2020); Radio City Zen (2022-present)

University of Waterloo

- Excellence Champion, Excellence Canada Excellence, Innovation & Wellness (EIW) Silver certification 2015-2016
- Member, Campus Institutional Rankings Working Group, 2012-2016
- Member, Transformational Research Campus Strategic Theme team, 2012-2013
- Chair, Digital Media Asset Management Campus Investigation, 2011-2013
- Member, Campus IT Governance Task Force, 2013-2014
- Member, Campus Enterprise Architecture Working Group, 2012-2013
- Library Representative, Campus IT Strategy Working Group, 2012-2013
- Library representative, University Committee on Information Systems and Technology, 2011-2014; 2015-2016
- Member, Library Executive, 2011-2016
- Library representative, WatITs 2011 conference

University of Notre Dame

- Hesburgh Libraries' representative, Academic assets Committee, Digital Asset Strategy Task Force, Provost's Office, 2010-2011

- Project manager and coordinator, Hesburgh Libraries Strategic Planning Task Force, Provost's Office, 2010-2011
- Co-Project Manager, Primo Implementation Team, 2008-2009
- Member, On Ramp Committee, 2007-present; Chair, 2009-2011
- Chair, Resource Discovery Work Group, 2007
- Member, Library Administrators & Managers, 2004-2011
- Member, Information Systems & Digital Access Division Budget Committee, 2004-2011
- Chair, Aleph Working Group, 2004-2011
- Member (appointed), Committee on Appointments and Promotions, 2006-2008
- Member (elected), University Committee on Academic Technology, 2006-2008
- Chair and Member (elected), Professional Development Committee, Library Faculty Organization of the University Libraries of Notre Dame, 2005-2007
- LibQual+ Team member, 2006
- Mentor, Project to Recruit the Next Generation of Librarians, University of Notre Dame, 2006
- Member, LibQual+ Team, 2005-2006
- Member, 2005 May Institute Planning Committee
- Faculty mentor, 2004-2007, Building Bridges Mentoring Program, Multicultural Student Programs and Services
- Chair, MetaLib Implementation Team, 2004-2005

VCU Libraries

- Member, VCU Libraries Peer Review Committee, 2002 – 2005
- Member, Aleph Coordination Task Force, 2002-2003
- Member, VCU Libraries Integrated Library System Selection Committee, 2001-2002
- Chair-elect, VCU Libraries Faculty Organization, 2000-2001
- Chair, Professional Development Committee, VCU Libraries Faculty Organization, 1999-2000; Member, Professional Development Committee, 2003-2004
- VCU Libraries Representative to VCU University Council, 1999-2001
- Chair, Electronic Reserves Task Force, 1999-2000.
- Member, Rapid Document Service RFP Committee, 1999-2000.
- Member, Library Automation Task Force (1997-2001); Information Technology Work Group (2001 - 2004)

Virginia Commonwealth University

- Faculty representative, Student Media Commission, 2000-2001.
- Member, Electronic Theses & Dissertations Task Force, School of Graduate Studies, 1999 –2004
- Academic campus representative, Academic Affairs Committee, University Council, 1999-2000.

Cushing/Whitney Medical Library, Yale University

- Member, Medical Library Database Group
- Member, Collection Management and Library Administration Team

Grant Writing

2022 Co-PI with Dr. Tim Brunet, "UWill Discover 2023: A Student Research Conference and Symposium focused around United Nations Sustainable Development Goals." Discovery grant, Social Sciences and Humanities Research Council. \$75,000. Submitted December 2022, awarded March 2023..

2013 Contributing Writer, "Waterloo Digital Archive" EMC. \$15,000. Submitted December 2013. Not funded.

2009 Writer and Principal Investigator, "A Comparative Analysis of Systems Librarianship Education in China and the United States," Byrne Fund, Hesburgh Libraries of Notre Dame. \$5,400. Submitted February 2010. Awarded March 2010.

Co-Principal Investigator, "Cultivating advanced mobile literacy skills (CAMLs)" Byrne Fund, Hesburgh Libraries of Notre Dame. With Michelle Hudson and Sherri Jones. \$3,500. Submitted February 2010. Awarded March 2010.

Contributing Writer, "Eric Gill digital archive," National Endowment for the Humanities, Preservation and Access: Humanities Collections and Resources. Lead Principal Investigator, Dennis Doordan, Ph.D Submitted July 2009, July 2010. Not funded

Contributing Writer, "Eric Gill digital archive," National Endowment for the Humanities/JISC, CyberInfrastructure for the Humanities. Lead Principal Investigator, Dennis Doordan, Ph.D Submitted 4/2009. Not funded.

2008 Contributing Writer, "Eric Gill digital archive," National Endowment for the Humanities, Preservation and Access: Humanities Collections and Resources. Lead Principal Investigator, Dennis Doordan, Ph.D Submitted 7/2008. Not funded.

2007 Partner Library Lead, eXtensible Catalog, Phase 2. Andrew W. Mellon. Lead Principal Investigators: David Lindahl, Jennifer Bowen, Nancy Fried Foster, University of Rochester. \$749,000. Total project with partner contributions: \$2.8 million. Submitted February 2007. Awarded October 2007.

1999 Contributing Writer, "High-performance connection for Virginia Commonwealth University" National Science Foundation, Connections to the Internet (NSF98-102). Lead Principal Investigator, Phyllis Self, Ph.D.\$350,000. Submitted 7/1999; awarded 11/1999

1998 Principal Writer & co-Principal Investigator, "Leonardo Digital Library at Virginia Commonwealth University: teaching/learning in 2000" National Science Foundation, Digital Libraries Initiative, Phase II (NSF 98-63) Lead Principal Investigator: Phyllis Self, Ph.D. \$5,909,259 Submitted 7/1998; not funded.

Contributing Writer, "EASL: Extending asynchronous and synchronous learning in Virginia." Bell Atlantic, Virginia distance learning grants. Principal Investigator: John Dayhoff. \$100,000. Submitted 10/1998; awarded 12/1998.

1997 Principal Writer, "The Greater New Haven Public Health Database" National Library of Medicine, Information Systems Grant. Principal Investigator: Nancy K. Roderer. \$190,000. Submitted 2/1997; awarded 11/1997.
