Highlights of ASC's published and unpublished holdings

AUTOMOTIVE HISTORY

Reflecting Windsor's history as a major centre of automobile manufacturing in Canada throughout the 20th century, we have several significant archival collections relating to the automotive sector. We also have a significant collection of hard-to-find books on automotive history (too many to list here), of which a representative sample is included below. Contact us for details and additional holdings.

In the Archives

- Trevor Price collection (F 0012)
- Ford of Canada (Acc. Nos. 1997-002, 2006-006, 2016-004, 2017-010, 2018-003, and 2019-007)
- Brampton Builds a Car (Acc. No. 2001-035)
