

SUBJECT GUIDE

Highlights of ASC's published and unpublished holdings

FOOD HISTORY

Our Special Collections include books about the history and significance of food and its preparation, as well as a wide array of historic cookbooks, from published classics to recipes promoting specific brands or products, and community cookbooks compiled by local organizations. We also have a small amount of archival material relating to early 20th century recipes and cooking appliances. Contact us for details and additional holdings.

In the Archives

- Housekeeping ephemera collection **(F 0017)**
